

MEANTIME.

ANYTIME IPA 4.7% ABV

A true Session IPA, this beer is packed full of hop flavour with a lower ABV to create a very drinkable beer with a low bitterness. We've added hops at every stage of the brewing process, including dry hopping, to fully maximise the complex hop aroma without adding too much bitterness.

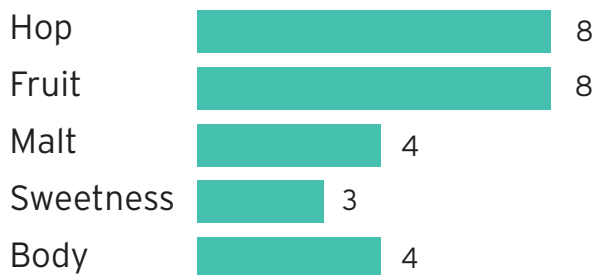

With a blend of Cascade, Centennial, Mosaic and Bravo hops, Anytime IPA is bursting with tropical flavours - think pineapple and mango - like many of the popular American-style IPAs. Refreshing with a clean, dry finish, Anytime IPA is the perfect accompaniment to an evening in the pub all year round.

FOOD PAIRINGS

The tropical hop flavours go a treat with American-style BBQ favourites like spare ribs in a barbecue sauce, with a side of coleslaw.
